POS system

Integrated Thermal Printer

Swipe Card Reader

✓ Flexible fashion design

✓ Integrated 58mm / 80mm thermal printer

HIGHLIGHTS

- Ultra-thin fashion design
- Accurate resistive touch
- Integrated peripherals options: MSR, VFD
- Support Windows 10 Pro / Windows 10 IoT
- 58mm / 80mm thermal printer built inside optional

Solutions		A	B	C
Material		ABS Plastic		
System Configurations	Processor	Intel® Celeron™ J1800 Dual-Core 2.4GHz	Intel® Bay Trail-D Celeron™ J1900 Quad-Core 2.0GHz Fanless	Intel® Core™ i3 / i5 / i7
	Storage Device	Mini SATA SSD 32GB, 64GB, 128GB or 2.5" HDD 500GB		
	Memory	Single-Channel DDR3 x 1, 2GB up to 8GB		
	OS support	Windows 10 Pro / Windows 10 IoT		
Display	Main display	15" with LED backlight (1024*768) / 15.6" with LED backlight (1366*768)		
		300:1 contrast, 350cd/m ² brightness		
		Capacitive touch screen		
I/O Interface	USB	6 x USB type 2.0	5 x USB type 2.0, 1 x USB type 3.0	6 x USB type 2.0
	HDMI	1	Not Support	1
	Others	2 x Serial, 1 x VGA, 1 x LAN, 1 x Mic-in, 1 x Audio-out, 1 x DC		
Options	Printer	58mm / 80mm thermal printer built inside optional		
	2nd display	15" with LED backlight (1024*768) / 15.6" with LED backlight (1366*768) / 11.6-inch LED		
	Customer display	VFD type (2x20), Alphabet & Numeric		
	MSR	Track 1&2&3		
Physical Dimension	Dimension	430x340x520mm(WxDxH)		
	Weight	8.5kg		
	Color	Black / White		
Environment	Power supply	DC 12V, 5A adaptor		
	Temperature	Operating:-10℃ to 40℃, Storage:-20℃ to 60℃		
	Certifications	CE, FCC, RoHS
